

Prioritize mental **health**.

Our **ZenDen** interior provides a peaceful, **private** space where employees can feel **relaxed, comfortable, and productive** any time of the day.

Increase **employee productivity**.

Find your inner **zen** with **ZenDen**.

Benefits

Meets the PUMP Act and the Pregnant Workers Fairness Act requirements by providing a comfortable, private space at work for mothers to pump; shielded from view and free from intrusion from coworkers and the public.

Costs a *fraction* of the price of other similar branded wellness or mother's rooms.

Can be used as a general relaxation space for employees to use for medical needs, religious purposes, or meditation.
